THANK YOU THANK YOU

BRAD STEIN, PARIS LAILSON, ERIK GALLOWAY, THE ESTEEMED AMF BOARD OF DIRECTORS AND ALL OF THE ARTISTS WHO ALLOW US INTO THEIR WORLDS ON A DAILY BASIS; YOU ARE WHAT INFORMS US OF WHO WE NEED TO BE. AMF IS NOTHING WITHOUT YOUR INVOLVEMENT.

SPECIAL THANKS TO

Our amazing and generous donors, sponsors, community partners and supporters, past, present, and future. You are vital to the work we do for the local community, and AMF could not survive or thrive without YOU! Shout out to Gary Keller, ALL ATX, the Cultural Arts Division, Kimpton Hotel Van Zandt, and C3 Presents for your continued support.

AND TO THE FACE-MELTING 2019 ADP CLASS ON THIS RECORD!

Thank you all so much for trusting us with your art, and allowing us all to join the fight. It was truly an honor, and an immeasurable inspiration that will never be lost on us.

A QUICK WORD

I think I can speak for Frenchie, Johnny, and Alex when I say I can't begin to express my admiration of AMF for giving the thumbs up for this thing. Mad respect for them having the double dose of courage and crazy that is necessary to put out a record, and to recognize that every artist's path begins with an emotionally impactful product. AMF's focus on all of their programming being "impact driven" is a truly remarkable and brave stance, especially for a non-profit entity.

The evolution of the Artist Development Program, and this compilation in particular, is a bold statement of the depth of support that AMF is willing to dive into, with their necks on the line. They allowed us and these superheroes of the scene to share an uninterrupted moment in time, to attempt the meaningful transference of emotional performances through voltage. It never ceases to amaze me when I witness the musical possibilities present in the ether, that become available when a group of people who care about each other have the time to block out the world, and obsess over a piece of music as if it were the most important thing of all time. This is a small but powerful glimpse into the diverse musical landscape of this great city, as well as a small aspect of what AMF provides to the music community as a whole. I hope you dig it.

Long live rock,
Einar
